

Pharma Research Bulletin Copyright Assignment

(eISSN- 2582 -676x)

Must be signed and returned to the Editor-in-Chief of the journal before the manuscript can be published (The transfer of copyright from author(s) to publisher must be clearly stated in writing to enable the publisher to assure maximum dissemination of the author's work. Therefore, the following agreement, executed and signed by the author, is required with each manuscript submission).

I/We the undersigned author(s) of the manuscript:

Manuscript no: _____

Manuscript title: _____

hereby declare that the above manuscript submitted for publication in **Pharma Research Bulletin** has **NOT** been published previously, and it is currently under consideration for publication elsewhere, either in whole or in part, except in the form of an abstract in any journal or magazine for private or public circulation. I/We have read and understood the instructions to authors and are fully aware of the ethical standards regarding plagiarism. No part of this manuscript, whether referenced or otherwise, has been copied verbatim from any source. The manuscript does not contain any content that is scandalous, obscene, libelous, or otherwise in violation of applicable laws. All potential conflicts of interest and relevant financial relationships have been fully disclosed. Upon acceptance of the article for publication, I/We agree to transfer the copyright of the manuscript to **Pharma Research Bulletin**, including rights for electronic distribution and transmission, in accordance with existing copyright laws.

I/We hereby transfer(s), assign(s), or otherwise convey(s) all copyright ownership, including any rights incidental thereto, exclusively to the Journal, if such work is published by the Journal. The Journal shall own the work, including:

1) Copyright

2) The right to grant permission to republish the article in whole or in part, with or without fee

3) The right to produce preprints or reprints and translate into languages other than English for sale or free distribution and

4) The right to republish the work in a collection of articles in any other mechanical or electronic format.

I/we have read the final version of the manuscript and am/are responsible for what is said in it. The work described in the manuscript is my/our own and my/our contribution to this work is significant enough to qualify for authorship. No one who has contributed significantly to the work has been denied authorship and those who helped have been duly acknowledged. I/We certify that I/We have obtained written permission for the use of text, tables, and/or illustrations from any copyrighted source(s), and I/We agree to supply such written permission(s) to Pharma Research Bulletin upon request.
